Reference a: Memorandum from Chief of ICAPS re same subject, dated  
10 March 1948

1. Reference a pointed out the erroneous use of the initials IAC and an erroneous interpretation of these initials in the coordination note that appears in the CIA publications produced by ORE and suggests that in lieu of such initials the specific organization with which papers are coordinated be named.

2. The Assistant Director of Reports and Estimates is in complete accord with the views of the Chief of ICAPS and is most appreciative of his noting and informing ORE of this error in our publications. You can be assured that all future publications issued by ORE will follow the suggestion contained in Reference a.
